

Guidelines for E-Poster Submission and Presentation at APMEDUCON-2025

Dear Participants,

We request you to submit the following by **10 PM on 30th May' 2025**.

Guidelines to Prepare E-Poster using PowerPoint:

- Size of the poster should be 36" x 48" (Custom Slide Size).
- Layout should be portrait.
- Poster should have a title, followed by Authors' names (name and surname) in sequence and include Department and Institution.
- Font Style: Calibri.
- Font Size: Minimum 24
- Colour Scheme: High contrast; avoid cluttered backgrounds.
- Visuals: Use charts and images to support your narrative.
- Poster should have a structure as used in your abstract. You should add relevant references in Vancouver style, and acknowledgments if any.
- Text boxes are used to add text.

Guidelines for E-Poster Submission:

- The Prepared E-Poster need to be uploaded in the website.

Delivery:

- 8 minutes for description of the poster followed by response to the queries for 2 minutes.

Important:

- Carry a soft copy of your E-Poster presentation in PPT format in a Pen drive to the conference venue.
- All presenters must upload their presentation at least two hours before their allotted presentation time. Ensure you confirm your slot and venue in advance.
- The presenting author(s) name must be in bold and underlined on the presentation for clarity and identification.
- The judges' decision will be final and binding for all participants.
